

## Centro Kibrahacha announce the winners for Lottery 2007

Centro Kibrahacha for the Elderly conducted their annual raffle, and the drawing for the winners took place on Friday morning, July 6. All the members of the center, who awaited expectantly, raffle tickets in hand, joined Director Diane Uchtman for the exciting moment when the lucky winners of eight fabulous prizes were announced. As is the custom, it was a festive morning of music and fun for the center's members. Certified Notary Hilde Rodriguez-Taekema officiated over the drawing, as is required by Aruban law, to verify the winners.

The first prize of a seven day Caribbean Cruise for two goes to ticket #5372. The holder of ticket #2363 won a week at Disneyworld in Orlando, Florida. Three days and two nights at the Breezes all-inclusive resort in Curacao goes to the holder of ticket #1891. The fourth and fifth prizes, a desktop personal computer suite and a Panasonic Digital Camera, both donated by AMC/Unicon to ticket numbers 5481 and 0983, respectively.

A weekend stay for two donated by the Playa Linda Resort goes to holder of ticket #5667, a Sunday Brunch donated by the Hyatt Regency to ticket #0808, and a dinner for two courtesy of the Promenade Restaurant will be enjoyed by the holder of ticket #4265. Anyone that bought these tickets should contact Diane Uchtman at Centro Kibrahacha.

Diane reports that even though there was little promotion, this year's raffle was enormously successful, and tickets sold out very quickly, prompting them to consider issuing more than the usual 6000 next year. Congratulations to all the winners, and the gratitude of the staff for Centro Kibrahacha for making this a successful fundraising effort!
